Welcome to the 27th Annual Kenaston's Country Music Show! We're so happy you're a part of this grand occasion and we look forward to seeing you on the dance floor, stage, audience, campground or at a local business while you're here. Please make our entertainers and volunteers know how much you appreciate them. Purchase a CD or other souvenir. I ask that you support the community while you're here and KEEP YOUR RECEIPTS! Put your name and phone number on the back of the receipt, or write down the location and amount of purchase along with your phone number and drop it in the receipt barrel located in the Oak Ballroom. We'll total up the receipts so we can let the community know what the impact is of having this event in town. And, we'll draw for a prize on Saturday night! The 2023 event totals were near \$10000 not including most of the camping, and hotels expenditures. I know that is only a fraction of the money spent. Let's see how high we can boost that number this year! So, TURN IN YOUR RECEIPTS! We cannot thank the City of Schuyler, Utility Department, Parks and Rec as well as Audra from the Schuyler Area Chamber of Commerce for making us feel at home. In fact, this is home, for at least one week in June and we're already making plans for the 28th Annual Show, June 25 - 27, 2025! Thanks again for the support and your donations to keep the festival FREE! Thanks everyone! The Kenastons :-)
